

JUSTICE OBIOHA

Fashion Designer / Web Developer

PERSONAL DETAILS

I am a fashion designer good at what I do with 5 years of experience. Also a Web Developer interested in projects that require both conceptual and analytical thinking. I would enjoy working with startups and established companies.

I am also opened to learning new ideas, love working with teams and sharing information to change the world.

SPECIALIZATIONS

- Designing, coding, and modifying easy-to-navigate websites
- Crafting web-based promotional collaterals aligned with a brand's existing content
